Submitted for orders.

In connection with the departmental test, an Accountants Assistant has been sanctioned to the P & E Education. I hear that Mr. B. S. Raghavendra Rao of the Comptroller's Office is likely to be appointed to the post of a Peon @ Rs 5-00 per mensem. It is unfortunate that my claims should have been overlooked though I am senior to Mr. B. S. Raghavendra Rao & have undergone training in the Comptroller's Office besides acquiring a good knowledge of the administrative details of the Edn Dept, being first Clerk in the Edn Branch for nearly two years.

In this connection, I desire to bring to the kind notice of Govt that I have been a loser by coming to the Secretariat from the Comptroller's Office. My brother Officers in the Comptroller's Office get a duty allowance @ Rs 75 while I am given only Rs 50 in the Secretariat. I have also passed the Govt of India Financial Department Examination & of the three Officers who sat for the higher examination, I secured the highest number of marks. I was transferred

to the Secretariat, not at my request but purely in the exigencies of service such is very hard that I should be denied the enhanced allowance granted to other officers who have passed the above examination by training in the Comptroller's office & the knowledge that I have obtained by passing the Govt. of India Financial Examination & Category but said to be of no avail in spheres other than in the Comptroller's Office

I took charge of the office of the Secretary Central Recruitment Board in the middle of March 93. Since then the volume of work of the Board has increased considerably during the 10 months Jan March to December - the number of vacancies advertised was 1567 & the number of applications received was 14338 This works out to about 450 vacancies & 45.00 applications a quarter as against 10 vacancies & 1254 applications in the quarter immediately before

I list. Change in for every vacancy advertised. A file has to be opened (except in a few cases) & the applicatns received have to be scrutinised with a view to reject applicatns from unqualified candidates. Orders of the Chairman have to be obtained in doubtful cases. After the B statements are received, the appointments made have to be checked to see whether they have been made in accordance with standing orders. If appointments have been made in contravention of the recruitment rules, explanatn has to be called for in the first instance as to why such appointments have been made. After receipt of explanatn, each case has to be noted upon as per rules & orders of the Chairman obtained either for approving the appointment in the circumstances reported or for retaining the same. The C statements have also to be reviewed & the attention of the Heads of Offices & Departments drawn to the low percentage of the backward communities in the offices concerned. Recommendatns from the appointing Offices for exemptn from recruitment rules in exceptional cases have also to be dealt with & disposed of. Quarterly meetings of the Board have also to be

arranged the work connected with the meetings attended to other communications from the Offices regarding the interpretation of rules etc have also be dealt with. In short, the correspondence has increased immensely, necessitating my working overtime but no allowance is given to me for doing the work even though Secretaries of other similar Boards Viz Boards of Agriculture, Education & Industries & Commerce are given a daily allowance of Rs 50 each per mensem. The volume of work of the Central Recruitment Board is no way less than that of any of the three Boards, it may probably be more. The Chairman of the Recruitment Board is aware of this enormous increase of work.

In view of the circumstances detailed above I request I may be kindly recommended for a daily allowance of Rs 50 per mensem for being the Secy of the Board with effect from the date I took charge or at least from 1st July 1941

This is a hard case. Mr Appaya Pandia who has been discharging his duties with great care & Branch to take fast night has been a loser by coming 25 his secretariat. His employer who did not pass his part 7 Indian Sec. as high as he did, has been getting an allowance Rs 75 a month. Whilst he is getting a secretariat allowance Rs 50 only -

His duties & his secretary & his Secretarial Branch have been lashed in Ceylon. His is a Ceylonese subject and not a branch of the Secretariat. His duties & his pay are being heavy as provided not by him. He is entitled to a Ceylonese allowance as his Secretary & his Branch & Economic Conference are

Mr M A Srinivasan's claim was not (for this) work as Secy to the Recruitment Board but for special work connected with the retrenchment & for some supernumerary & unspecified office.

What I wanted to know was whether any application had been made for an allowance by any of the previous Secretaries to the Recruitment Boards for their work as Secretaries to the Boards.

Extract from the Proceedings of the Council is put up.

Forwarded, with compliments, to the Financial Secretary to Government, under paragraph 9 * of the Government Order No. G. 17572-8—G. M. 676-17-1, dated 22nd June 1918.

By Order,

Chief Secretary to Government.

*9. (*a*) If the views expressed by the Financial Secretary in any case, whether original or un-officially referred, are not accepted by the Member of Government in charge, or by the Dewan and Members of Council, as the case may be, the file containing the discussions shall be sent to the Financial Secretary a second time, in order to enable him, in cases in which he considers that the orders proposed to be issued are opposed to financial rules of Government or to recognised financial principles or for other reasons of a financial nature, are open to objection, to record a respectful representation to that effect, which will be placed by the Dewan before His Highness the Maharaja for consideration.

(*b*) All cases sent to the Financial Secretary under this rule should be treated as immediate and returned to the Department concerned within three days of receipt.

Submitted to His Highness.

Mr.Appaji Gowda,Assistant Secretary,Education Branch, is also Secretary to the Central Recruitment Board. Before his appointment as Assistant Secretary to Government,he was attached to the Account Department as Assistant Comptroller, where he was drawing a duty allowance of Rs 75/- per mensem (Rs .50,the duty allowance as Assistant Comptroller and Rs.25 for having passed the Government of India Account Examinatio

Page 1 of office Notes

He now says that by his transfer to the Secretariat,he has lost Rs .25/- per mensem in his duty allowance

At present,no allowance is attached to the post of Secretary,Central Recruitment Board. Mr.Appaji Gowda says that the work of the Central Recruitment Board is rapid ly increasing and that he has to work overtime to do justice to this work in addition to his duties as Assistant Secretar

Page 4 of -do-

He therefore prays for a separate duty allowance of Rs.50 for this work as in the case of the Secretaries to the Economic Development Boards

Pages 5 & 6 of -do-

The First Member of Council,as Chairman of the Central Recruitment Board,strongly supports Mr.Appaji Gowda request. He says that the office of the Secretary, Central Recruitment Board is a separate entity and not a branch of the Secretariat and that the duties of the Office are heavy He has therefore recommended the grant of a duty allowance of Rs .50/- for this work

Page 8 of -do-

The matter was considered in Council at the Meeting held on the 29th January 1925 when the following resolution was recorded

"The Assistant Secretary in charge of the Recruitment Board work,may be given a consolidated allowance of Rs.75/- in view of the additional work devolving on him"

The recommendation of the Council may be graciously approved

of the backward communities are properly observed and if Brahmin candidates are attached preference to candidates of these communities enquiry made as to why the claims of the latter were passed over, the satisfactory reasons are given, the appointments are either vetoed or other action taken after obtaining the orders of the Chairman. Thus the routine work of the section has increased considerably & the previous Chairman admitted it more than once.

I consider that the above facts justify the enhanced allowance either from the date of the order or at least from the date of my representation. The allowance has given me only from the date of the order viz. 20th February 1925.

I therefore pray that the case may be considered on its merits and the allowance sanctioned from the date of my representation.
